

Habits (Stay High)

By Tove Lo

Uh-uh uh-uh uh-uh

I eat my dinner in my bathtub
Then I go to sex clubs
Watching freaky people getting it on

It doesn't make me nervous
If anything I'm restless
Yeah I've been around and I've seen it all

I get home, I got the munchies
Binge on all my Twinkies
Throw up in the tub, then I go to sleep

And I drank up all my money
Days kind of lonely
You're gone and I got to stay

High all the time to keep you off my mind, ooh ooh
High all the time to keep you off my mind, ooh ooh
Spend my days locked in a haze trying to forget you babe, I fall back down
Gotta stay high all my life to forget I'm missing you, ooh ooh

Pick up daddies at the playground
How I spend my day time
Loosen up the frown, make them feel alive

I make it fast and greasy
I know my way too easy
You're gone and I got to stay

High all the time to keep you off my mind, ooh ooh
High all the time to keep you off my mind, ooh ooh
Spend my days locked in a haze, tryin' to forget you babe, I fall back down
Got to stay high all my life to forget I'm missing you

Staying in my play pretend
Where the fun ain't got no end

Oh, can't go home alone again
Need someone to numb the pain

Oh, staying in my play pretend
Where the fun ain't got no end

Oh oh can't go home alone again
Need someone to numb the pain
You're gone and I got to stay

High all the time to keep you off my mind, ooh ooh
High all the time to keep you off my mind, ooh ooh
Spend my days locked in a haze tryin' to forget you babe, I fall back down
Got to stay high all my life to forget I'm missing you
